August 18, 2020

Dear Friends,

I want to update you on the latest decisions Session has made in regard to life in COVID 19. At its August meeting, Session voted to begin weekly outdoor, in-person and virtual worship services beginning on September 13, 2020, weather permitting. Our worship on the Sunday of Labor Day Weekend will be virtual only. All other church activities, other than the Food Pantry, remain suspended or will happen virtually.

We continue to move forward with prayerful caution, taking our time to make sure we have protocols in place to keep people as safe as possible. But, please remember, that until there is a proven treatment and/or a vaccine for coronavirus there will be no completely safe way to gather. Session has a Task Force that is meeting to determine when we can re-gather as safely as possible and what we need to implement to make that happen.

If you are sick, have a fever, or do not feel comfortable worshipping in a large group, please know that the services will be live streamed and available for conference call.

Thank you for your prayers, your love and care, and your flexibility as we continue to live into this new reality. If you have any questions, please contact me.

Blessings,
Pastor Marie
